BUILDING SAFETY CERTIFICATE

Certified that **Bajali Teachers' Training College** was established in 1992 located at Patacharkuchi under Bajali Sub - Division in the district of Barpeta (Assam). The College has its own land (08 Bighas) and building (04 Assam Type Buildings having 4074.71 Sq Mtrs built up/ floor area) and a spacious Auditorium Hall with boundary walls. The College is having sufficient infrastructural and instructional facilities with sound / well arranged library ; Class Rooms ; Office Room; Staff Common Room; Students' reading room as well as boys' / girls' common room; qualified teaching / non-teaching staff as per U G C / N C T E norms; Psychological Laboratory ; ICT/computer room with 50 (fifty) sets of computers; indoor/outdoor game facilities; sanitary arrangements. The Institution is exclusively meant for Educational purposes to impart quality pre-service and in-service teachers' training conducting B.Ed. and D.El.Ed. courses under Gauhati University and SCERT, Assam respectively. The construction of the entire building is made of bricks, concrete etc. in permanent nature and the building structurally is sound . There is no any temporary structure in the building. The construction of the building is completed in respects as per the by-laws of the building of bureau of Indian Standards and the same is structural safe and secure to run the teacher training course having load bearing capacity as per the latest Indian Standards. Safeguard against fire hazard has been provided in all parts of the building. Fire extinguishers are installed duly approved by the Director, Fire and Emergency Services, Assam, Guwahati as well as proper electrification has been done as per the guidelines of the State Electricity Board. The campus, building and other infrastructural and instructional facilities etc. is safe and barrier free. from all aspects to face any kind of disastrous situation.

I wish a grand success of the Institution.
